

EAC 2016 - TOURS (FRANCE) SEPTEMBER 4-9, 2016

Sponsorship and exhibitions Opportunities

We would like to offer opportunities for your organization to promote itself to the aerosol science community. We expect around 800 attendees representing a major fraction of the world research community in this research field.

We propose you a flexible approach to sponsorship with the possibility to customize the promotion opportunities according to your needs. Don't hesitate to contact the person in charge of the exhibition and sponsorship for any request (see address below)

Local Organizing Committee

Brigitte Delpont, ARTEFACT, France (exhibition and sponsorship)
